

Blue Distinction[®] Total Care

Integrates select value-based programs (ACOs and PCMHs) from BCBS Plans across the country – each distinctively local and tailored to address the unique needs of their communities – creating a comprehensive national solution for multi-state employers.

THE GOAL

Mitigate cost trend through...

The nation's largest network of providers who are...

Contractually accountable for improving health outcomes and lowering healthcare costs for their patients.

THE RESULT

Employees receive the right care at the right time and place.
