

Get ready for your 2027 coverage

1 BEFORE COVERAGE BEGINS

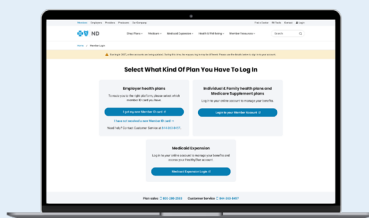

Watch for your new ID card

Keep it handy for when your 2027 coverage begins.

Until then, continue using your current ID card.

2 GET A HEAD START

Create your new digital account

Register early at [BCBSND.com](https://www.bcbnsd.com).

Your 2027 plan information will be available once coverage begins.

3 ONCE COVERAGE BEGINS

Start using your coverage

Use your new ID card and explore your plan resources when coverage begins.

Your new member ID card

You'll receive a new member ID card before your 2027 coverage begins. Your new member ID will have three letters followed by nine digits. Use this ID with your providers once coverage begins to ensure you receive the correct benefits.

Bring it to: Doctor and clinic visits | Pharmacies | Other care appointments

Your new digital account

Visit [BCBSND.com](https://www.bcbnsd.com) and select **Log In** to create your new account. You can register before your 2027 coverage begins.

Once your coverage begins, you can:

- See your benefits and track your claims
- Know your costs
- Find in-network care
- Access your digital ID card
- Explore well-being programs and rewards

Using a mobile device?

Download the new **BCBSND Health Insurance app** to access your account on your phone.

GOOD TO KNOW:

Your [BCBSND.me](https://www.bcbnsd.me) access will end when your 2026 coverage ends. Your new account will include three years of claims history.

Get care when you need it

Your access to care isn't changing. Continue using Blue Cross Blue Shield of North Dakota's (BCBSND) trusted provider network and the doctors, clinics and hospitals you rely on today.
