CARRY BLUE. CARRY ON.

Skip the Prep, Not the Screening

Colon cancer is one of the most preventable cancers
— especially when caught early.

That's why Blue Cross Blue Shield of North Dakota is working with us to offer eligible employees access to Cologuard®. Cologuard is a noninvasive, at-home screening test that detects DNA and blood markers linked to colon cancer and precancerous growths.

Why at home options?

Done in the
privacy of
your home

Included in
our company
insurance plan

No prep, no
sedation or
time off work

Who's eligible?

Adults 45 and older who are overdue for colon screenings. If you qualify, you may receive a kit in the mail - ordered to help you stay on top of preventive care.
