North Dakota Medicaid Expansion Work Requirements

New federal work requirements are coming to North Dakota Medicaid Expansion. Some members will need to complete 80 hours of work or other activities to keep their coverage.

Here's how you can prepare today.

Three things you can do now

1. **Update your contact information**

   Make sure North Dakota Medicaid Expansion has your current mailing address, phone number and email. Keeping your information up to date ensures you won't miss important notices about your coverage.

2. **Read all mail from North Dakota Medicaid Expansion**

   Watch for letters and notices from North Dakota Medicaid Expansion. These may include important deadlines, forms, or actions you need to take to keep your coverage active. Don't throw them away – open and read them carefully.

3. **Stay informed**

   Work requirements and other updates may affect your eligibility. Stay in the loop by checking official North Dakota Medicaid Expansion resources and asking questions when you're unsure.

Questions? Ask a clinic member today!

Our team is here to help. If you have questions about the work requirements, your coverage or what steps you should take, visit **hhs.nd.gov/StayCoveredND**.

Some members will not need to meet these requirements. This includes tribal members, certain caregivers, people with special health needs that make it hard to work and others.

Scan with your phone's camera to **learn more**.
