
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-363-8457 or visit www.bcbsnd.com/plandocuments. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-844-363-8457 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|--|
| What is the overall <u>deductible</u>? | \$2,800 individual / \$4,200 parent and child / \$4,200 parent and children / \$5,600 two person / \$5,600 family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u>? | Yes, preventive care. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u>? | \$2,800 individual / \$4,200 parent and child / \$4,200 parent and children / \$5,600 two person / \$5,600 family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u>? | <u>Premiums</u> , prescription drug services, <u>balance-billed</u> charges and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u>? | Yes. See www.bcbsnd.com/find-a-doctor or call 1-844-363-8457 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u>? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
