

**Blue Cross Blue Shield of North Dakota
Restricted Use List – Prior Approval**

Restricted Use Drug -A Prescription Medication or Drug that may require Prior Approval and/or be subject to a limited dispensing amount.

Key Definitions		
CE	Coverage Exception	For Qualified Health Plans (QHP), this is a Non-Formulary drug excluded from coverage. If seeking coverage, a Coverage Exception Form must be submitted for review. The coverage exception form can be found on the link below: https://www.myprime.com/content/dam/prime/memberportal/forms/2018/FullyQualified/Other/ALL/BCBSND/COMMERCIAL/NDIVLDRUG/ND_HIM_Coverage_Exception.pdf OR https://www.myprime.com/en/coverage-exception-form.html
F	Formulary Drug	A Brand Name or Generic Prescription Drug that has been determined to be safe, therapeutically effective, high quality, and cost-effective as determined by a committee of Physicians and Pharmacists based on current data.
MED	Medical Drug	A medical benefit drug that requires Prior Approval (Precertification) to be completed by the Medical Pharmacy Solutions Team at Prime Therapeutics. Precertification information for medical drugs can be found on the link below: www.gatewaypa.com/policydisplay/52
MED+	Medical Drug Available on Pharmacy Benefit	A drug that requires Prior Approval (Precertification) through the medical benefit prior authorization process but is payable under the pharmacy benefit. Precertification information for medical drugs can be found on the link below: www.bcbsnd.com/providers/policies-precertification/prior-authorization
MED ND	Medical Drug review BCBSND	A medical benefit drug that requires Prior Approval (Precertification) through BCBSND. Precertification information for medical drugs can be found on the link below: www.bcbsnd.com/providers/policies-precertification/prior-authorization
NF	Non-Formulary Drug	A Prescription Medication or Drug that is not a Formulary Drug
PA	Prior Approval	A drug that requires Prior Approval. Prior authorization form for pharmacy drugs can be found on the link below: https://www.myprime.com/en/forms/coverage-determination/prior-authorization.html
QHP	Qualified Health Plan	Health Insurance Market Individual, Small Group Formulary and BlueValue Formulary

The following List of Drugs represents the drugs requiring Prior Approval (PA)

- **This entire list applies to the commercial population.** Unless otherwise noted, if a prior approval is granted for a commercial member, the drug will be allowed at the Formulary benefit level.
- Both brand name drugs and generic equivalents require Prior Approval. Please see separate documents for drugs requiring Prior Approval, due to a Utilization Management Quantity Limit or a Step Therapy edit.
